We are Kromberg & Schubert – a global technology group with a medium-sized background and a company history of over 110 years. Our engagement, flexibility and constant drive for innovation enable us to be a specialist for complex wiring systems for the automotive industry.

Our key to success? Over 50.000 employees in over 40 locations worldwide are connected through optimism, fun at work and the quest for continuous improvement.

Show your colours and make a difference!

Electromechanical CAD Engineer Automotive (m/f/d)

Sibiu, full-time/part-time

Your tasks:

- Development of the wiring harnesses for automobile manufacturers (Audi, BMW, Daimler, VW, Porsche) using different CAD programs (ex. EB-Cable) at the Design Centre Sibiu

Your strengths:

- University degree in electromechanics or electrotechnics (ongoing or graduated)
- Good English and/or German skills
- MS Office knowledge
- Experience in using CAD programmes
- Experience in automotive industry would be an advantage

We provide modern technology and the opportunity to be part of its development from the beginning to the final product. You work in interdisciplinary teams on interesting projects. In addition to a performance-based salary, we offer you the social benefits of a big company, a flat hierarchy. Also we foster a culture of work-life balance.

Are you interested in meeting the challenges of a customer-specific cable harness production that await us in the future?

Then send us your complete application documents (cover letter, CV & relevant certificates) including your salary expectations and earliest possible starting date via our online portal.
