

Pot Black

To greener pastures

You will be
tickled pink

purple-career.com

We are Kromberg & Schubert – a global technology group with a medium-sized background and a company history of over 120 years. Our engagement, flexibility and constant drive for innovation enable us to be a specialist for complex wiring systems for the automotive industry.

Our key to success? Over 50.000 employees in over 40 locations worldwide are connected through optimism, fun at work and the quest for continuous improvement.

Show your colours and make a difference!

IT Infrastructure Specialist (m/f/d) Sibiu, full-time

Your tasks:

- Responsible for troubleshooting 2nd level support and solving IT hardware related issues
- Installation of the new projects
- IT support for new Plants
- Diagnose and troubleshooting of hard and software problems
- Implement, optimize and develop worldwide IT Kromberg & Schubert standards

Your strengths:

- University Degree in IT / Technical field
- Good knowledge of Unix / Linux operating systems
- Good knowledge of Scripting language
- Good command of English, German is a plus
- Motivated, meticulous, communicative, team worker
- Willingness to travel in other Kromberg & Schubert locations worldwide

We provide modern technology and the opportunity to be part of its development from the beginning to the final product. You work in interdisciplinary teams on interesting projects. In addition to a performance-based salary, we offer you the social benefits of a big company, a flat hierarchy. Also we foster a culture of work-life balance.

Are you interested in meeting the challenges of a customer-specific cable harness production that await us in the future?

Then send us your complete application documents (cover letter, CV & relevant certificates) including your salary expectations and earliest possible starting date via our online portal.
