We are Kromberg & Schubert – a global technology group with a medium-sized background and a company history of over 110 years. Our engagement, flexibility and constant drive for innovation enable us to be a specialist for complex wiring systems for the automotive industry.

Our key to success? Over 50.000 employees in over 40 locations worldwide are connected through optimism, fun at work and the quest for continuous improvement.

Show your colours and make a difference!

## Specialist Product Development for Change Management (m/f/d) Location Martorell (Spain)

### Your tasks:

- Responsible for supervision of change management according to VOBES process in the project
- Definition of technical details during the development phase with the customer
- Creation and review of change notifications with LDorado DIÄD
- Coordination and control of change management with customers, internal departments and international production plants
- Data maintenance
- Coordination and maintenance of to-do-lists

### Your strengths:

- University degree with the focus on electrical engineering / automotive technology / mechanical engineering or comparable education
- Experience in harness development
- Knowledge in tools CATIA V5, LDorado DiÄD, ELENA
- Conversational level of English language (speaking, reading and writing)
- PC-knowledge on professional user level (MS Office)
- Strong customer orientation
- Independent, structured and analytical attitude
- Good communicative skills and capacity to teamwork

We provide modern technology and the opportunity to be part of its development from the beginning to the final product. You work in interdisciplinary teams on interesting projects. In addition to a performance-based salary, we offer you the social benefits of a big company, a flat hierarchy. Also we foster a culture of work-life balance.

Are you interested in meeting the challenges of a customer-specific cable harness production that await us in the future?

Then send us your complete application documents (cover letter, CV & relevant certificates) including your salary expectations and earliest possible starting date via our online portal.
